From the President...

Greetings Fellow Lions,

Can you believe it is a New Year already?? It is that time of year when we need to bundle up against the cold north wind and make sure our batteries are in good condition. Luckily we didn't get too much of the white stuff (and not down feathers either!) in our area, like they do in some areas of the state and nation.

Hope everyone had a good Christmas and I wish you all a happy New Year. Our Christmas party was a lot of fun and we had a really good turn-out! Thanks a bunch to **Chuck and Sue Overra** for letting us use the Parkside building. Thanks also to Nancy Slade and everyone who made it a success. It has been a while since we had a regular meeting. January 11th is our next board and dinner meeting. Hope to see everyone there. Don't forget to ask your friends, co-workers and neighbors if they would like to join the largest service organization in the world.

KL George

“Don't Squat With Your Spurs On”

-Texas Bix Bender

After eating an entire bull, a mountain lion felt so good he started roaring. He kept it up until a hunter came along and shot him. The moral: when you're full of bull, keep your mouth shut.

Prairie House Museum News

Through the generous donation of Dan Scott and the diligent efforts of several Spanaway Historical Society volunteers, a hand-hewed **Brand New Old Log House** has been added to the museums exhibits! Volunteers carefully took the existing log house apart, numbered each section, transported the materials to the museum, treated each log for preservation and are now in the process of painstakingly reassembling the 10 ft. x 11 ft. log house. The cabin will be located in front of the museum outbuildings and will be used to educate kids of all ages with hands-on pioneer activities.
