From the President...

Hello Lions. I am looking forward to this coming year and hope all of you are too. I would like to start off the new Lions year by saying thank you to all our club members for electing me as your new President. I also want to say that **Lion George Budd** did an outstanding job as our King Lion this past year. He started all our meetings on time and kept the meetings flowing. **Thanks George!!**

I also have a few goals that I would like to see us achieve this year. How about more visitations to other Lion clubs in our area to see what they are doing and how they conduct their meetings. Perhaps we could look at some new community projects. What needs to be done in Spanaway? If you have any good ideas, please feel free to bring them up for us to consider. And of course, we can always use more members. Have you asked someone lately?

Lions Dave Bartlett and George Budd did an outstanding job on our 15th annual "Poker Run." These two outstanding Lions have been in charge of this fund raising project since the beginning. They meet with the Roadrunners Motorcycle Club, get great prizes from local merchants, made sure our Lions trailer was put in place and got club members to work this all-day event. It would sure be nice if a couple of other Lions would step forward and take over our biggest fund raiser of the year. How about it folks?? Any volunteers???

See you at our next meeting.

KL Darrell

Lion Sue Overra

Just a note to let our members know that **Lion Sue** had a stroke early in June. She was taken to St. Joseph hospital in Tacoma and was released to go home last week. **IPP George Budd** did go visit her while she was in the hospital and last week **Lion Nancy Slade** took some flowers to her at her home. Sue is doing pretty good and must undergo therapy for a few months. A big THANK YOU to Lions George and Nancy and a big GET WELL SOON to Lion Sue.
