From the President...

While pondering “words of wisdom” to share, I hope I have found a few tucked away. A new Lions year has begun and I would like to thank all the members who have gotten on board with me to help guide the Spanaway Lions in 2012-2013. I also wish to thank all the members of the 2011-2012 board for the leadership they provided.

I am anxious to begin the journey of guiding our club through this next year. I would love to see our club grow within the community. We are a small club in membership and as such we can’t get involved in really large projects. I would like to look into the possibility of teaming up other clubs in our Zone to tackle a new community project. I have no real idea of what this may entail, but I put it before the group to ponder the question of what we should do and who we can do it with.

Membership within our group is always a challenge. I think part of bringing in new members is to show them what they can do to help serve Spanaway. Projects such as “White Cane Days” and the Lions Health Screening Unit make our club more visible in the community. We will not find new members if they don’t see us and we should always ask “Would you like to know about being a Lion?”

I would also like to see Spanaway Lions stepping out more with our fellow Lions. Our club has been pretty “remise” about doing visitations to other clubs over the past few years. I would like to see us do at least one visit a month for the next year. As part of this goal, I am working on a list of possible visitations for the next year. I would like us pick at least one club from this list for the following month.

We had a very excellent “Poker Run” in June, thanks to the hard work of **Lions Dave Bartlett** and **George Budd**. They are always looking for members to help them with our only fund raiser of the year!

A big “**THANK YOU**” to **Past Council Chairman Mike Gayda** for installing our new officers for the coming year on Tuesday, June 26.

CONGRATULATIONS !!

Congratulations to **Lion Dave Bartlett** and his wife **Doris** for celebrating their **56th Wedding Anniversary** on June 15. Dave and Doris went to school together from the 7th grade through High School in Pioche, Nevada and were married there in 1956. They moved to Washington in 1969 when their son Billy was 3 months old. Bill Bartlett and his wife Donna are members of the Spanaway Lions and are active members. Dave joined the Spanaway Lions in 1972 and was sponsored by Byron Long, one of the charter members of the Spanaway Lions.
