Web Master: Anne Asplund

From the President...

A safety note from your King Lion; Schools are back in session and the speed limit in the school area is 20 mph. As a school crossing guard, I have observed many drivers exceeding the speed limit – some even drive through at highway speed. I'm asking everyone to please watch out for the children and make sure you obey the speed limit – for the safety of the children. In my travel this summer back to my home town in the mid-west, I noticed that the school speed limit in 4 states, Iowa, Minnesota, Wisconsin, and South Dakota, is 15 mph.

I want to say a BIG “THANK YOU” to **Dave Bartlett, George Budd, Art Pressel, Nancy Slade and myself** for their work at the Prairie House Museum Work Party on Saturday, November 19th.

I hope everyone had a great Thanksgiving and didn't eat too much turkey like I did! We have our annual Christmas Dinner this coming Saturday, December 3rd, at Fir Lane. Be there by 6 pm. **We will not have any dinner meetings at Paradise Village Bowl during the month of December.**

Our next regular meeting will be January 10.

Wishing everyone a very Merry Christmas and safe New Year!!

KL Darrell

“Don't Squat With Your Spurs On”

-Texas Bix Bender

“The length of a conversation don't tell nothin' about the size of the intellect.”

“Nothin's better than a cool drink of water - but too much can give you a bellyache.”

Looking Ahead

Happy Birthday

Dave Bartlett	Nov 10
Donna Saling	Nov 24
Mike Exley	Nov 29
Darrell Behounek	Dec 1
George Budd	Dec 7

A Note from Your Editor

I just want to apologize to everyone for being lazy and not publishing a bulletin in November. So this one is a dual one for November and December.

Is Your Heating System Ready for Winter?

- Change your air filter regularly for proper air flow. If you have a forced air heater, check your filter every 2 months.
- Schedule a check-up for your heating system. Schedule a maintenance check and cleaning every few years on a forced air heating system. For a heat pump, bump that up to every year.
- Add insulation, seal ducts. Seal and insulate furnace ductwork in the attic and crawl space.
